

2019-2020

Dear Parents,

Students wait for the summer vacations. These vacations are not only break from daily routine but also a time to enrich memories and to spend quality time with family.

It's summer time.

Wow! It's a vacation time.

Time to go to Nani's house.

Time to play and louse.

Full time fun,

Under the sun.

Evening bicycle ride,

Without mothers chide.

Night stay with cousins,

With bag full of chocolates, a dozen.
